

TOWN OF EATON

New Customer Trash and Recycling Service Information

Dear Eaton Customer:

We are delighted to service our neighbors in the Town of Eaton and provide safe, reliable trash and recycling services. This Service Information Packet includes information about your weekly trash service, every-other-week recycling service, how to Recycle Right, WM trash and recycling carts, bulky item and extra bag pickups and essential safety tips.

Trash and Recycling Service

To maximize route efficiency and reduce Eaton's environmental impact, we collect trash once a week and recycling every other week. Your weekly trash collection and recycling service day will be Thursdays. (Please see the recycling calendar for your recycling collection day.)

Please have your carts ready for pickup by 7 a.m. on collection day and positioned at least 4 feet from other objects - such as cars, fences, mailboxes, and overhead wires - that may prevent our team from safely servicing your cart. Please bag your waste so it does not blow onto the street during service and make sure the bags fit in your cart with the lid closed. Place your clean and dry recyclables **loosely** in your carts. **Do NOT bag your recyclables**.

WM Cart Delivery

If you do not have a WM trash and recycling cart at your house, please contact the town at **(970) 454-3338**.

Additional Carts and Cart Exchange

Do you need a smaller cart or an additional cart? You may exchange your 96-gallon cart for a 32- or 64-gallon cart free of charge. Extra 96-gallon trash and recycling carts are available for $5.09 each per month. Please call us at (970) 482-6319 to exchange or add cart(s).

Customer Service

Please call (970) 482-6319 or visit Home.wm.com/Eaton for trash and recycling service information, cleanups, yard waste/bulky item pickup, your holiday schedule and other information.

WM
WASTE MANAGEMENT

Bulky Items and Extra Bag Pickup

We offer a pay ahead bulky item and extra bag collection service. Bulky items include outdoor furniture, sports and exercise equipment, porcelain fixtures, mattresses, furniture, carpet and appliances without refrigerant. Bulky items must weigh less than 50 pounds and be contained within a 4 ft. by 4 ft. area.

Pay ahead collection of bulky items is $40. Pay ahead extra bag collection is $3.60 per bag (additional trash or yard waste bags that do not fit in your cart). Please call **(970) 482-6319** before your scheduled trash collection day to schedule a bulky item or extra bag(s) pickup.

Keeping Colorado Green

Did you know? Each year WM of Colorado customers recycle enough cans, bottles, paper and cardboard to save the following resources:

774 Million Gallons of Water

1.3 Million Trees

443K GHG Emissions Avoided

481 Million kWh of Electricity

SUSTAINABILITY MINDED

Cleaner Collection Days

We are proud to service Eaton with our CNG compressed natural gas) fleet. CNG trucks offer cleaner collection days by cutting greenhouse gas emissions and saving diesel fuel. Our CNG fleet emits nearly zero particulate emissions, reduces greenhouse gas emissions by 15%, and cuts smog-producing NOx emissions by 50% compared to the cleanest diesel trucks. To further reduce emissions and conserve fuel, CNG engines automatically turn off after five minutes of idling. Our CNG engines run much quieter than diesel trucks making collection day a more tranquil one for you, your neighbors and the community.

Did you know? In 2007, Waste Management (WM) committed to reducing our fleet's carbon dioxide emissions by 15% by 2020. To achieve this goal, WM began transitioning to cleaner vehicles and fuels and minimizing the number of miles our trucks travel each day. As a result of these focused efforts, WM achieved the goal in 2011 - in just four years!

Recycle (Clean & Dry):

Aluminum & Steel Cans

Plastic Bottles, Jugs & Jars

Glass Bottles & Jars

Paper

Cardboard & Boxboard

Do NOT Recycle:*

- Plastic bags, wrap or film (return bags to store)
- Food, liquids
- Yard waste, wood
- Shredded paper
- Electronics
- Clothes, bedding, carpet
- Medical/hazardous waste
- Foam cups, take-out containers, packing material

** Items are not limited to those above.*

Service Holidays

New Year's Day	Friday, Jan. 1
Memorial Day	Monday, May 31
Independence Day	Sunday, July 4
Labor Day	Monday, Sept. 6
Thanksgiving Day	Thursday, Nov. 25
Christmas Day	Saturday, Dec. 25

Holidays noted with a square may affect your collection service. If your service day falls on or after a holiday, your service will be delayed by one (1) day. Regular service will resume the following week. Service will not be delayed if the holiday falls on a Sunday.

Service Day Guidelines

- On your service day, place your recycling and trash carts at the curb by 7 a.m. with the wheels facing the curb.
- Please ensure recyclables fit in your cart with the lid closed.
- **Do not bag your recyclables.**

Service Week

- East of Birch St/North of Collins
- West of Birch St/South of Collins

QUESTIONS? Call (970) 482-6319.

Meet Your Waste Management Team

Your local WM team takes great pride in serving Northern Colorado communities and helping to create cleaner, greener neighborhoods for their friends, families and neighbors in Eaton.

Keeping Kids Safe Around Our Trucks

Our team loves to see your kids smile and wave when we drive through your neighborhood! While our trucks may be fun to watch, they are not safe to play around. Here are a few tips to keep your children safe around our trash and recycling trucks:

Share the Schedule: Make sure your kids know what days the trucks are in your neighborhood. We want them to be extra careful when playing outside.

Keep a Safe Distance: Collection trucks stop and back up frequently. Please teach kids not to follow trucks closely on their bike, skateboard or skates.

Watch Safely: Let kids know it's okay to watch the trucks from a safe distance and remind them not to play around or near trash carts.

Stay Clear: If you have a little helper at home, please don't let them try to help load garbage or recycling onto the truck. Please leave it to our team to keep your neighborhood clean.

Stay Visible: There are several areas where the visibility is restricted for the driver. If you can't see him/her in the eyes, they most likely can't see your children or pets.
