

Waste Management is your partner for environmental services and solutions whose people go above and beyond to serve and solve every challenge the right way. Below is an explanation of residential services for **Meadowhill Regional MUD.**

REGULAR WASTE COLLECTION DAY: TUESDAY

Please be sure your trash is out by 7:00 AM on collection day.

Household garbage, grass clippings, leaves, branches and tree trimmings are collected at the curb and limited to ten (10) bags, bundles or containers per collection. Containers over 45 gallons must have all trash bagged.

BULK TRASH COLLECTION DAY: TUESDAY

Two (2) items per collection

Acceptable items include moving boxes (please break them down and bundle them), old furniture, appliances, grass clippings, leaves, branches and tree trimmings.

Important! *For the safety and protection of our employees and equipment, we do require that branches and tree trimmings be no greater than three inches (3") in diameter and be cut, tied and bundled in four-foot (4') lengths weighing no more than forty to fifty pounds (40-50 lbs.)*

Please note! *WM can no longer dispose of CFC refrigerant containing items (i.e., refrigerators, freezers, etc.) without certification that the Freon has been properly removed and recycled, pursuant to current Federal law.*
