

Waste Management Recycle Center

Waste Management of North County operates a buyback and recycling center to help local residents in Carlsbad, Del Mar, Oceanside and other North County regions keep our communities clean by accepting recyclables such as aluminum, glass and plastic in exchange for cash, as well as e-waste and household batteries.

If you're looking to redeem your cans and bottles for CRV, please visit our buyback and recycling center at the following location. Please contact customer service at (866) WMRECYCLE with any questions.
