Provided by
Waste Management of Texas, Inc.

Dear Woodlands Township Resident,

Waste Management is proud to work with The Woodlands Township as partners in delivering environmentally and economically sound waste management services.

GENERAL COLLECTION GUIDELINES

Please follow the guidelines below to ensure collection.

- Trash, recycling, and yard waste collection is once-a-week. All containers and items must be at the curb by 7 AM on your scheduled collection day.
- All trash goes inside the cart with the green lid. Please ensure your trash is in bags inside your cart.
- With automated collection, all trash must be contained in the trash cart with the lid closed. WM will not collect items outside the carts unless tagged.
- Do not include paint, motor oil, or other hazardous items.

EXCESS TRASH

Excess trash must be bagged and tagged. The tags are available through the The Woodlands Township. Each bag must have its own tag.

BULK ITEMS

A bulk item is an appliance, piece of furniture or other residential items that are too large to fit into the trash cart and cannot be bagged. To schedule a bulk pickup, contact Waste Management 2 business days before your regular service day at 800-800-5804 or email cssatex@wm.com.

YARD TRIMMINGS

Collected once-a-week on your regular service day. Grass clippings, leaves and branches must be bundled or placed in an open 30-gallon container or in compostable bags. Items must weigh less than 40 pounds (40 lbs) and be less than four feet (4') in length. Place yard trimmings four feet (4') from the 96-gallon cart.

HOLIDAY SCHEDULE

Collection will not occur on the following holidays:

New Year's Day, Thanksgiving Day, & Christmas Day

All observed holidays falling on a Monday through Friday will cause all subsequent services days for the week to be delayed by one day. For example, Friday service will occur on Saturday.
